

OVERTURE

Perennial Ryegrass Blend

Overture Perennial Ryegrass Blend is comprised of varieties that are proven to work well in both permanent turf and over-seeding programs. This blend contains highly ranked varieties at very economical prices that will fit the needs of the most budget conscious of buyers.

Under various management regimes, **Overture** excels under many different uses including fairway and high traffic areas, home lawns, and athletic fields. It contains high levels of endophytes, which makes it very resistant to many insects and improves its stress tolerance. This perennial ryegrass blend is extremely dark green, very fine leafed, and has excellent disease resistance.
