

# BEDAZZLED

## Kentucky Bluegrass

Value

Innovation

Service

Expertise

Blending innovation and value into exceptional seed products. Mixing incredible service and expertise to form lasting relationships.

**Bedazzled** is a top performer among Kentucky Bluegrasses in turfgrass quality. It exhibits strong color, desirable texture, exceptional disease resistance and drought tolerance. With broad adaptation to various management regimes, its compact growth habit and slower growth rate make this an obvious choice for turfgrass professionals. **Bedazzled** is a TWCA qualified grass seed ideal for sod production, as well as sports fields, parks and recreation, and landscaping applications.

### Features & Benefits

- > TURF QUALITY
- > TRAFFIC WEAR TOLERANCE
- > BROWN PATCH AND TYPHULA BLIGHT RESISTANCE
- > LOW AND SLOW GROWTH PATTERN
- > HIGHLY ADAPTABLE
