

# BEWITCHED

## Kentucky Bluegrass

Value

Innovation

Service

Expertise

Blending innovation and value into exceptional seed products. Mixing incredible service and expertise to form lasting relationships.

**Bewitched** is a compact type Kentucky Bluegrass with a low compact growth habit which makes it an excellent candidate for golf course fairways and sod farms. **Bewitched** is excellent for blending with America-types and Midnight-types because it possesses disease resistance which the other types do not. **Bewitched** exhibits exceptional wear tolerance making it a must for farmers, golf courses, and sports fields.

### Features & Benefits

- > SUPERIOR OVERALL TURF QUALITY WITH EXTREME WEAR TOLERANCE
- > DARK GREEN UNIFORM COLOR
- > EXCELLENT SHADE TOLERANCE
- > NEAR PERFECT RESISTANCE TO
