Service

Expertise

Blending innovation and value into exceptional seed products. Mixing incredible service and expertise to form lasting relationships.

Sunset Gold is an improved turf-type Tall Fescue with elite turf characteristics and superior dark green color. With added drought and brown patch resistance, **Sunset Gold** can be used for full sun or partial to full shade. It performs well without irrigation and under limited input management. **Sunset Gold** is perfect for sod production, lawns, landscape, sports fields and golf course rough areas
